EDITORIAL

Christ said—"Where your treasure is, there will your heart be also"—Matthew 6:21.

Charles Dudley Waney said—"A great nation is made only by worthy citizens."

Again the Tribune office finds itself without a regular linotype operator. Anyone knowing of an operator who will work all or even part of the time will confer a favor by letting us know.

Quite a crowd of football fans went to Kearney last week to see the game with the Lincoln High school. While they do not say much it is plain that they did not get what they went for. The post season game is usually a failure and the game Friday was no exception. North Platte has never been coaxed nor bullied into playing a post season football game and we hope it never will. The season is too long as it is and could be cut down especially when Thanksgiving comes a little earlier than it does. Eight games one each week—is long enough for the boys to keep up the training and the school to keep up the excitement. Each additional week is that much too much and the post season game is the worst of all.
